CHAPTER 1**Biome Distribution Basics****BLM 1-6**

Goal • Record your ideas as you read pages 10–17 in your student book.

What to Do

Answer the questions as you read. Draw a quick sketch to help you remember the main points.

	Response	Sketch
1. How does temperature influence biomes?		
2. How does precipitation influence biomes?		
3. How do you use the graph of average annual temperature and precipitation to determine the type of biome?		
4. What is the relationship between latitude and biome distribution?		
5. How does elevation relate to biome distribution?		
6. How do ocean currents influence biomes?		
7. What is a climatograph?
